"New Balance"

Visit "[New Balance](#)" on MotoLyrics.com

I'm looking for a new balance
just can't handle this, and
i'm living in your ambience, and
I'm fighting a new challenge
something in the way, and
it's too much to handle

You're loosing my patience
the way you dissapear and
you're never there when i need you here, and
my temple it's rising
i can't accept the truth, and
there's no way it's happening

Chorus:
Stay with me now
Don't stray from me now
I want you now
I want you now
Don't go to him now
he don't care for you now
I want you now
I want you now

I'm searching but not finding
your eyes they sing to me
but do not share their misery, and
there aint no denying
the boy you left behind
and the mess you created

This world i getting smaller
just no room for the two of us
just wants nothing to do with us
i know that i can't take it
running lost and running gone
she's gone for good

Chorus X2

(Guitar solo)

oohhhhh ohhhh ohhhh
