I've known you a very long time  
Trusting you a very long time  
We were together all of the time  
How could you do this to me?  
You cheating on me once or twice  
I thought I knew everything about you  
Baby I was wrong, baby I was so wrong

A hundred times you said  
A thousand times I've seen  
One more time I'm out the door  
I been there, done that  
Don't want no more  
A hundred times you said  
A thousand times I've seen  
One more time I'm out the door  
I been there I done that  
Don't want no more  
I been there, done that  
Don't want no more  
Don't want no more of that baby...

You played the game so many times  
I caught you once, I caught you twice  
Rolling the dice you were enticed  
How could you do this to me?  
I can't find the words to tell you how I feel  
I feel used, I feel bruised  
And baby I can't deal baby I cannot deal

A hundred times you said  
A thousand times I've seen  
One more time, I'm out the door  
I been there, I done that  
Don't want no more  
A hundred times you said  
A thousand times I've seen  
One more time, I'm out the door  
I been there, I done that  
Don't want no more  
I been there, done that  
Don't want no more

Baby I'm on a high...  
I been there, I done that, baby goodbye...

Don't you know I played that game  
Don't you know I made you say  
Baby I'm on a high  
I been there, I done that  
Baby goodbye!  
Baby I was wrong  
Baby I was so wrong  
I been there, I done that  
Baby goodbye!

Now here we go, let's tell the truth  
Look who wins, who takes it all  
Thank you for showing the true you  
My life is so much better in the end  
Someone has to win

Don't you know, I played that game  
Don't you know, I made you say  
Baby I'm on a high  
I been there, I done that  
Baby goodbye!  
I been there, I done that  
Don't you know, I played that game  
I been there, I done that  
Baby goodbye!  
A hundred times you said  
A thousand times I've seen  
One more time I'm out the door  
I been there, I done that  
Don't want no more  
A hundred times you said  
A thousand times I've seen  
One more time, I'm out the door  
I been there, I done that  
Don't want no more  
I been there, I done that  
Don't want no more  
A hundred times you said  
A thousand times I've seen  
One more time I'm out the door  
I been there, done that  
Don't want no more  
I been there, done that  
Don't want no more
