They always say that opposites attract
But I don't give a damn about all that
Can't you see your lust for me is more than simple
gravity?
You try to run, but you get pulled right back.

I've got a magnet in my pants
I know you feel it when you're watching me dance
Get any closer and you're taking a chance
I've got a magnet, I've got a magnet, I've got a magnet
in my pants
I know you feel it when you're watching me dance oh
yeah!
Get any closer and you're taking a big big chance
I've got a magnet, I've got a magnet

I don't mean no disrespect to you
But this energy I'm giving you is something funky fresh
and new
Baby they can hear the boom when I enter any room
All the eyes just stick to me like glue wow!

I've got a magnet in my pants
I know you feel it when you're watching me dance
Get any closer and you're taking a chance
I've got a magnet, I've got a magnet, I've got a magnet
in my pants
I know you feel it when you're watching me dance oh
yeah!
Get any closer and you've entered my trance
I've got a magnet, I've got a magnet

Near far, upside down, above,
Under my trance all you do is dance magnetic love
Scream, Shout, Hollar Out, and Love,
Feel the pressure of this magnetic tug

Don't tell me what you think I need to do
stop telling me it's very good for you
the magnet that I've had so long
with every day it gets more strong
all the love just sticks to me like glue

I've got a magnet in my pants
I know you feel it when you're watching me dance
Get any closer and you're taking a chance
I've got a magnet, I've got a magnet, I've got a magnet
in my pants
I know you feel it when you're watching me dance
Get any closer and you're taking a chance
I've got a magnet, I've got a magnet
X 8
Near far, upside down, above,
under pressure of magnetic love
Near far, upside down, above,
under pressure of magnetic love
