I want you
I need you
I must have you

All the sums of me
Now Ive grown up
And I finally see

All the sums of me
Now Ive grown up
And I finally see

I want you
I need you
I want you
I need you

This might be the last day to see
But I finally know the man ill be

I want you
I need you
I want you
I need you
(I gotta have you)

All the sums of me
(captivating, captivating)
Now Ive grown up
And i finally see
(Looking into your eyes
I just know its true)
All the sums of me
(Feels so real to me)
Now Ive grown up
(I want you)
And I finally see

You gave me someone who could see
(you feel just so right to me)
I needed some humble chemistry

I want you
I need you
I must have you
I want you
I need you
All the sum of me
(I gotta have you)
I gotta have you
I gotta have you
All the sum of me
I gotta have you

I want you
I need you
I must have you

All the sums of me
I gotta have you

I want you
I need you
I must touch you
I have to have you
I know the man ill be
I finally see

youre captivating
I feel like gyrating
Its tinglating
