guitar intro

(rap)

Here's a little story you'll find hard to believe
about a little yuppy puppy
with a trick up his sleeve

Every day while the Master's away
Traalfaz and his wife will play
Makes no sense
or so I'm told

He hops in the sack
before the sheets are cold

Thin line?
Maybe not.
The wife is fine
but the daughter's DAMN hot!

(chorus)
Traalfaz, you're not the one who's lonely
Traalfaz, you're not the one for her

Even if she still loves you
You're not the one who's lonely
Traalfaz
You're not the one for her

(guitar solo)
Watch her slowly, she's walking down the hallway
Feel her pain as you see those tears don't dry.

Traalfaz, you're not the one who's lonely
Traalfaz, you're not the one for her

Even if she still loves you
You're not the one who's lonely

Traalfaz
You're not the one for her
