I wanna make love to you, all night
Wow! You're the bomb!
C'mon c'mon, oh yeah!
Hey I could do it, anyway you want to
Yeah! You can show me dirty pictures in books
We'll recreate the act
Yes I could do it, most any way you want to,
My love
But just so my position is clear
I really like the back
But oh it's all good for me
Just want you to stay here inside me, all night.

We'll ain't it better like this boy
Did we rock it til' the break of dawn?
But ain't it better like this boy
Sheet you're really turning me on

We'll I could do it,
Most any way you want to, my love
Yeah you can show me dirty pictures in books
And we'll recreate the act
I tell ya, I could do it,
Most any way you want to, my love
But just so my position is clear
Let's take it to the max

But oh it's all good for me
Just want you to stay here inside me, all night.

We'll ain't it better like this boy
Did we rock it til' the break of dawn?
But ain't it better like this boy
Sheet you're really turning me on
C'mon c'mon

You're the bomb, oh yeah
But oh you're all good for me
Just want you to stay here inside me, all my life
Ow ow ow!

But ain't it better like this boy
But ain't it better like this boy
Ain't it better like this boy
Sheet you're really turning me on, oh yea

Yes, so good!!!!
