This is me, maybe no angel
As I care new generation
Don't look at me Like I'm not worthy
I am now just what you used to be...

Mom, I'm gonna Make you rock!
Nothing's gonna make me stop!

It's my time for imperfection
You want my light pure and affection
Tell me right from wrong, Still and illusion
It's my time, I'm in it to be me

Mom, I'm gonna Make you rock!
Like fire it pushes my desire!
Mom, I'm gonna Make you rock!
Don't wanna be a loser,
reactions all that will
take me higher
Nothing's gonna make me stop!
Mom, I'm gonna Make you rock!

Well, at least it's no illusion
You see yourself, I'm you reflection
Made the same mistakes, the same corrections
It's my life, I wanna rule my own

Over and over, over and over, over and over, again,
Over and over, over and over, over and over,
Mom, I'm gonna Make you rock!
Nothing's gonna make me stop!

Mom, I'm gonna Make you rock!
Like fire it pushes my desire!
Mom, I'm gonna Make you rock!
Don't wanna be a loser,
reactions all that will take me higher
Nothing's gonna make me stop!

Over and over, over and over, over and over, again,
Over and over, over and over, over and over,

Mom, I'm gonna Make you rock!
Yeah! Ohh!
Over and over, over and over, over and over, again,
Over and over, over and over, over and over,
Mom, I'm gonna Make you rock!

This is me, maybe no angel
As I care new generation
