Don't tell me not to do drugs if you don't know what i've
been through,
lose your job and have your soul stolen in the same day
then ill talk to you,
conversate wit you, but till then im a pop another pill or
two
people wonder how i say the shit i say in the rhymes
i guess ive kinda been desenseitized, dementalized,
demoralized,
i have no eyes, the only thing i can see is this darkened
sky
and a parking sign. fuck the rules i park inside.
run over your kids best friend and he starts to cry
he asks me why? why does his best friend have to die
i walk up to him and laugh in his face liek ha ha hi
im crazy, off my rocker,
took so many pills today i think i set a new world
record,
somebody call guinness, i think i killed this kid
he wouldnt give me my money so i put a screwdriver
through his head
its my business, i need a witness
when the cops come you tell em he had a gun, right
kids?
Im disrespecting womens,
tell em i love em
wake up the next mornign and i already left em
capture, you cant stop him
lock up your sister, cause she gonna be my next victim
