I can see the things you doing
And you think that I'm naive
But when I get the goods on you
She'll finally believe

She says it's all just drama
But every bubble's got to pop
She's gonna see just what your doing'

And then your finally gonna have to STOP!
Don't think your gonna win this time
Cause' you better believe I'm gonna drop a dime
On you

I'll get ya! yeah! I'll get ya!
And when I do your gonna be busted!
BUSTED!
I don't wanna put the hurt on you
But you better believe it when I tell you
That I finally got the dirt on you

YOUR BUSTED! (busted!)
Yeah, she's finally gonna see the light
This is how it's gonna be
When she finds out that I was always right

YOUR BUSTED!

There's a new cop on the beat
And I'm bringing down the heat
My eyes are wide to all your lies cuz your not that
discreet
And I don't care what you've heard
Cuz there's one six letter word
It's gonna set me free
(Gonna set me free)
It starts with a b
(Starts with a b)
It goes B-U-S-T-E-D you are BUSTED!

I don't wanna put the hurt on you
But you better believe it when I tell you

That I finally got the dirt on you
YOUR BUSTED!
(Don't think your gonna win this time)
Yeah, she's finally gonna see the light
(Drop a dime on you)
This is how it's gonna be
When she finds out that I was always right

YOUR BUSTED!
