I used to smoke crack back in the day
I used to gamble RENT money and lose
I used to DOG THE nice ladies, used to SWINDLE
friends
But now I'm teaching kids in Sunday school and I'm not
turning back

No turning back
No turning back
No turning back to good ol' times
No turning back

No one could sell a lie quicker than I
But no one could shift the blame better than me
I used to walk out on my family
WITH INTENT to sin
Rejecting all accountability
Lord, I'm not turning back

No turning back
No turning back
No turning back to good ol' times
No turning back

I used to smoke crack back in the day
I used to gamble RENT money and lose
I used to DOG THE nice ladies, used to SWINDLE
friends
But now I'm teaching kids in Sunday school
(No turning back)
