Listen,
I can do anything I want
Because I look good in leather
I can talk any kind of talk
Because I look good in leather

And I know you wish that you could look like me

Listen,
I can make any woman mine
Because I look good in leather
I can rock her body so good it blows her mind
Because I know how to f**k her better
Better than you

Gotcha wishing to be just like me

Yeah
Motherf*cker I'm cool
With attitude and ego to spare

Put on my poker face when I walk the street
Because I look good in leather
I can make a star out of anyone I meet
You're gonna shine if you're standing beside me

Gimme some truth
Don't you wish that you could kick it with me
Kick it with me [x3]

Because I look good in leather
(Don't you know I)
I look good in leather
(Everybody's lookin')
I look good in leather
(At me I know I)
I look good in leather

And I know that wish you were lookin' like me[x3]

Because I look good in leather

(Don't you know I)
I look good in leather
(Everybody's lookin')
I look good in leather
(You see, my body)
Looks good in leather
(Yes I do)
Look good in leather
(Don't you know it don't you)
I look good in leather
(Tell your Mama that I)
Look good in leather
(All the girls know I)
I look good in leather
(Gotta have it my way)
I look good in leather
etc..
