I don't ask, for much these days
And I don't bitch, and whine, if I don't get my way,
I only wanna fertilize another behind my lover's back,
I sit and watch it grow standin' where I'm at
Fertilize another behind my lover's back
And I'm keepin' my secrets mine,

I push my seed in her bush for life,
It's gonna work because I'm pushin' it right,
If Mary drops my baby girl tonight,
I would name her Rock-N-Roll

I don't beg for no rich man
And I don't scream, and kick,
When his shit don't fall in my hands, man
'cause I know how to still

Fertilize another against my lover's will,
I lick the opposition 'cause she don't take no pill,
Ooh-ooh-ooh-ooh-ooh-ooh-no dear,
You'll be keeping my legend alive

I push my seed in her bush for life,
Its gonna work because I'm pushin' it right,
If Mary drops my baby girl tonight,
I would name her Rock-N-Roll,
[Oh-ooh break it down, break it down, break down beat]

I push my seed somewhere deep in her chest,
I push it naked 'cause I've takin my test,
Deliverin' Mary it don't matter the sex,
I'm gon' name it rock and roll

I push my seed in her bush for life,
It's gonna work because I'm pushin' it right,
If Mary drop my baby girl, tonight

I would name her Rock-N-Roll
I would name her Rock-N-Roll
I would name her Rock-N-Roll, yeah,
I would name it Rock-N-Roll

Submitter's comments:Â

Some say it's some kind of metaphor about the genesis of rock'n'roll. I have no idea.
