Yeah, I'm ready, yeah

They want me to fall  
They wanna see if I make it  
Got my back against the wall  
Put my head to the sky  
No, I won't let'em break me  
I got great expectations  
Great expectations  
(I'm ready)  
I'm ready

All the stares  
And all the glares  
They waitin' on him  
And all the weight  
From all the hate  
It's gainin' on him  
The intensity as it rises  
Nobody can disguise it  
It's like he got fire in his eyelids  
The crowd is roarin'  
It's so enormous, his blood is boilin'  
His head is down and he's focused  
He wishes they'd ignore him  
Who in they right mind  
want to let his light shine  
He ain't even in his prime  
Pressure of a lifetime  
He standing steady, hands sweaty  
Maybe nervous, but ready  
The skepticism lies heavy  
He's 'bout to make it petty  
He got his fam on his back  
'Bout to carry like Chevy  
So much on his plate  
He hopes the repercussion's ain't deadly  
But he ain't gonna back out  
For what  
He faces right now  
and he knows that he will outstand every  
Doubt and turn around

The inceptions are knocked out  
They are no longer will be doubt  
He hears them boo  
but he won't stop 'til his name is what they shout

They want me to fall  
They wanna see if I make it  
Got my back against the wall  
Put my head to the sky  
No, I won't let'em break me  
I got great expectations  
Great expectations  
(I'm ready)  
I'm ready

He's no longer fearing  
Now swervin' past them and persevering  
The way he's staring is clearing

All that could be competition  
Immediate intuition is winnin'  
He's never slippin'  
Been hearin' them sayin' that he could be the best that  
ever did it  
Their expectations lie high  
So he's just prayin'  
Can I be the best man I could ever be to exceed  
everything they want me to be  
No anxiety, just gonna do me and always proceed for  
the  
ones that believe  
For the young man that's dedicated with a potential to  
achieve  
So I'ma keep goin', keep flowin', keep knowin'  
I'm the dopest  
My rhymes are potent  
but I'ma need you to know it  
I know where I came from but I stay so hungry and  
focused  
Like I was focusin and wasn't million in one of the  
closest  
Great expectations, I got'em waitin'  
Anticipatin'  
They all debatin' on if he's hyper will be stayin'  
So now I'm sayin' I'm reachin' to be one of the  
greatest  
So if you hate it take it cause I won't stop even when  
I make it

They want me to fall  
They wanna see if I make it

Got my back against the wall  
Put my head to the sky  
No, I won't let'em break me  
I got great expectations  
Great expectations  
(I'm ready, I'm ready)  
I'm ready

Starin' into heaven with my headphones on  
You can see it in my eyes and know  
That I'm the one that they been waitin' fo'  
I know my dreams are waiting fa' me  
And looking down ain't the way to go  
Noooo

Not 'til they screamin' my name, yeah [x2]  
I ain't gon' give up the game, yeah [x3]  
Not 'til they screamin' my name, yeah [x2]  
I ain't gonna give up the game [x3]
