(Chorus)

Hello world! I heard you've been looking for me,
I heard you've been waitin' on me Well I'm here and I'm here to stay!
Hello World! Sometimes your love turns to ugly,
but this world it aint gotta love me but it's cool I'll be okay!

(Verse 1)

Uh, I said hello world, meet the man of the century,
the man of the hour I'm usually late on my entry
I'm gone with the wind , cuz trust you wont wanna miss me
I'm that destined for greatness you can never convict me
I'm not from the bottom, I grew up so, so when I rise to the top,
top Ima tell you so Ima have the world sick like I'm the common colder
when Bron made the call to tell the Cavs he's gone
Diggy's home and dig it I'm married to two things
I sent my vows to money my honey's the stage
There's nothing you can say Cuz I posses the power they said to tone it down
so I'ma turn it uo louder There's no time to waste no pit stops...
this is a race And I'm so far ahead of ya'll that there's a delay,
I'm tryna to get me a ring More than 5 in a row,
and the song goes HELLO WORLD

(Chorus)

Hello World! I heard you've been lookin for me,
I heard you've been waitin on me Well I'm here and I'm here to stay!
Hello World! Sometimes your love turns to ugly , but this world aint gotta love me
but it's cool I'll be okay!

(Verse 2)

conquer the world, thats my goal and I plan to
It's already been written reference the

book of Daniel When you losing they love
you,when you win they can't stand you I
just sit in a room of lies,there's few that
will stand true They think I'm fake NO,
cuz I got a afro,and I outta space gone
cuz I got a astro Now I'm the corrector
comets to castros Wanna swim with
the big fish,I'll phranah you tadpoles
They say that I'm cocky,my reply is
that's not me See me rollin on blades uh,
but I dont play hocky I dont play games
much,cuz I'm about paper Recreational
past times,won't help me gain such They
were reluctant,till I showed them
substance Now they caught in my whirl-
wind,cause I got'em sucked in Then I
showed them toughness,I showed alot of
heart Now they all on my side,I call it
alucard

(Chorus)

Hello World! I heard you've been looking
for me,I heard you've been waitin on me
Well I'm here and I'm here to stay (yeah
to stay)Hello World Sometimes your love
turns to ugly but this world it ain't gotta
love me Well its cool cause I'll be okay!
Hello World!
