How long has this been goin' on  
How long has this been goin' on  
How long has this been goin' on  
How long has this been goin' on

Well, your freinds with their fancy persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicion  
'Cause I ain't quite as dumb as I seem

Well, you said you were never intending  
To break up our scene in this way  
But there ain't any use in pretending  
It could happen to us any day

How long has this been goin' on  
How long has this been goin' on  
How long has this been goin' on  
How long has this been goin' on

(Repeat)

Well, your freinds with their fancy persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicion  
'Cause I ain't quite as dumb as I seem

Well, you said you were never intending  
To break up our scene in this way  
But there ain't any use in pretending  
It could happen to us any day

How long has this been goin' on  
How long has this been goin' on  
How long has this been goin' on
