[Chorus:]

How are you I'm just fine How's you family tell them hi  
Heard that you got another guy As long as your happy  
Makes you smile Don't be a stranger you should stop by  
Hmmm again no Cause knowing Me knowing you (we  
will be  
Right back [x2]) Knowing you

[Verse 1:]

Right back to where we started All the arguing all the  
Heart ackes All the good times too we used to party Is  
It worth it huh Is it worth it cause Time is money are  
We ready for this purchase Or are we gonna waist it  
Face it it's just the surface Physical attraction but  
We are here for a purpose Perfect women or really real  
Women Ain't perfect I got to keep it real wiht ya girl  
I'm kind of nervous cause knowing me and Knowing  
you we  
Will have the time of our lifes Then tomorrow we will  
Be through You say you ain't calling me I say I ain't  
Calling you Few months and weeks and you out on the  
Street Then we speck and you lesser then we re-choose  
And I'm lesser then were weak

[Chorus:]

How are you I'm just fine How's you family tell them hi  
Heard that you got another guy As long as your happy  
Makes you smile Don't be a stranger you should stop by  
Hmmm again no Cause knowing Me knowing you (we  
will be  
Right back [x2]) Knowing you

[Verse 2:]

We right back where we started now Wish we could  
stay  
Where we started out You can't put your hand back  
when  
You card is out You gotta play it It's like the old  
Saying "Better to love than to not of it all But we  
Gotta keep it moving Cause all we do is star I'll be  
There when you need me If ever you should fall You  
are

In my life like a season winter, summer, fall But I  
Left out spring cause that's a new beginning And I'm a  
Bout to start a new but I'm wishing you were in it Wish  
You were here and be my buddy But you got a new  
man and  
That's difficult to share When the music stops playing  
And your siting in the chair Win some loose some it's  
Like that But knowing me knowing you we will be right  
Back

[Chorus:]

How are you I'm just fine How's you family tell them hi  
Heard that you got another guy As long as your happy  
Makes you smile Don't be a stranger you should stop by  
Hmmm again no Cause knowing Me knowing you (we  
will be  
Right back [x2]) Knowing you
