### "Made You Look Freestyle"

*[Verse 1: Diggy Simmons]*

Yeah, it's been debated and contemplated if Diggy's  
overrated  
But what the haters have stated never penetrated  
I'm so creative and innovative and I stay motivated by  
the concept of famous  
And I ain't even made it  
The flow I cater is something major an indicator of what  
happens later  
It's greater than you've anticipated  
Some people love it they way I does it  
That's why I leave them buzzing cause they callin me  
sick sometin like robitussin  
I hear you coughing I treat you often with freestyle  
And as I'm walking the people talking they see now  
And I know rap for my age like Lil Bow Wow  
Son of a King so why would I ever bow down  
Young lyricist uh, nigga be killing it  
You hearing it the words out of my mouth fresher than  
spearmint  
It's no experiment, independent appearances the way  
that I'm appearing  
I did it without my parents but I'm still God-fearing  
Filled with the holy spirit so I fly like an angel and none  
of y'all even near it  
Like is just like a whip and I'm old enough to be  
steering  
And you know I'm born in Queens so Nas gave me the  
clearance

*[Chorus:]*

Flow Stoopid  
How I made you look  
Y'all are slaves to a page in my Macbook  
They didn't know I could rap  
I had them all shook  
Yeah I'm a fashion nigga here's a new look

*[repeated]*

*[Verse 2:]*

Yeah I got em looking so pardon me as I check my  
fresh  
[?] success and end up [?] class  
They hearing guesses about the ventures I'm doing  
next  
[?] just trying to be the best dressed  
Well I'm just aiming to be the greatest and nothing less  
Entertaining stadiums, radio's as I progress  
On my whole tribe on the quest to be the best  
So I came in the whole Q in the tip livin with no regrets  
No stressin' is evidence of my confidence  
Cutting down arrogance but still being monstrous  
Part of the problem is it's all about the politics  
And most of what they posting on the blogs ain't as hot  
as this
