I'm feeling like Nas in this prime  
Flow ill manic the game about to be mine  
The flyest little nigga you ever seen before  
I'm laughing at them haters that saying i can't blow Rap  
games finest giving nigga's sinus. Cause my money  
keep on multiplying and they all minors  
you can call me young giant  
Little tyrant killin rappers on the mike  
But I ain't violent. I walked in Atlantic like it's my time to  
welcome home king posters looking like they mine  
I know they t.i's but in my mind  
I'm the new king of the game now watch me shine  
I'm about to run this thing So stay in your lane  
My competition's the cavaliers without Lebron James.  
Easy to beat not even close  
I'm running the coast  
That B.I.G use to promote

Just giving it hope  
Cause we the originators and innovators. Ima cash cow  
i be generating money like Vegas yeah  
Respect what I'm talking bout  
Doing big things bout to put my own sneaker out. I know  
my uncle J looking down on me  
Waiting for the day the game gone put the crown on  
me  
As my career keep rising through the top I feel like  
Diddy but I'm Diggy  
Can't stop won't stop Puttin out heat rocks Rising to the  
top  
been a long time coming like Dre and detox  
Man let the be rock  
And you say New York city
