It's time to shut them down.

You got me this gather round,  
I may this shutter down,  
I'm not the new to distract... this rap thing on the crowd,  
So now the only... money... and roll the town like... aaa.  
You come this gather round  
I may this shutter down,  
I'm not the new to distract... this rap thing on the crowd,  
So now the only... money... and roll the town like... aaa.  
You come this gather round, aa  
You come this gather round, aa  
You come this gather round, aa  
I may this shutter down,  
I'm not the new to distract... this rap thing on the crowd,  
So now the only... money... and roll the town like... aaa.

You got me this gather round,  
I may this shutter down,  
I'm not the new to distract... this rap thing on the crowd,  
So now the only... money... and roll the town like...  
Come on smooth like show me what a high,.. nice sis  
I guess, you may got the slightest, I see sight kicks  
addicted to the flyness,  
Quick what I wanna and I don't care what the price is,  
Ha, now run away you... the mice is,  
Just cut the... I even got the license,  
I keep a clear my... my bed time,  
To young to get in the club, I'm the headline,  
Tell me what they gospel now,  
You may... to hustle, huh,  
Please don't heat the player or the game, take another  
round,  
Go run your mouth, tell em that... the crowd,  
Tell em you're seing Diggy, just get busy and shut em  
down.

Premier, Premier, Premier, Premier, Premier.

This time I got a new leader to climb,  
Who better than I looked into me eye,

Hope you're tellin' the lie, I shine like a new jade in the  
sky,  
Blah, bah,.. the lie,  
I'm the streets... I'm coming soon couple beats from  
Primo,  
Radio, radio, keep in that cleano and I did all... release  
a singo,  
I think I can do it all, like I'm... for the stars,  
I was born just to put em wrong, that is nice,  
You said it right, keep go hard, I keep that rhythm  
every night,  
... me and all these blinds so far I get the OG coast  
sign,  
Head it down but I bet they love me now,  
You see Diggy in your CD and I shut em down.
