This the type of joint to make my stock rise
The type of joint you gotta turn the volume clockwise
Hear it from down the block, haters turning counter
clock

House party, girls dancing on the counter top
The young boss, so do as he says
And I'm only 16 yeah dieciseis
Ha! Life's a beach and I'm playing in her Sandbox
I'm a lover not a fighter but my man box
Time flies and I've never been afraid of heights
Only beef I've ever had was with a plate of rice
It cost to warn, you n*ggas cant play the price
So I ain't gotta say it, let alone say it twice..
Right? Ha! Yup!

ã€€

Chorus:

Gonna be a long ride, before I touch the ground (uh-ha-
uh-ha-uh-ha)

They been waitin' for a long time,
but I aint fallin down (uh-ha-uh-ha-uh-ha)

Ouu-ouu-ouu-ouu-ouu (Yeah)

Verse:

Uh, they say I swerved in the fast lane
And I'm only on cause my last name
Cant choose your family, but you can choose your
friends
I got my own money now so help me choose a benz
Beamer, a Porsche, not a Lam
I'm numb to the bull so I'm kinda like whatev'
Whatev'? Yeah you know how I do
Unexpected Arrival now I'm my idols, idol
If Kings are born then I'm comin' for my title
If Kings are born then I'm comin for my title
If you aint get that then light one and sit back
I'm out of here see you on the get back

D-I-G and it's!

Chorus:

Gonna be a long ride, before I touch the ground (uh-ha-

Verse:

I guess this is the time for me to give thanks
To everybody who participated by they ranks
Starting with God let me make that apparent
And of course I wouldn't be here if it wasn't for my
parents

P-Water, Shawn Barron, Violator and Atlantic

Pop oak in the dunes girls forgiven' the clearance
Not that that matters all settled

It's back to the rhyme like breaks down to the metal

All black everything, except for the kicks

If the bottoms aint red it's the J it's the six

Can you stand the rain, New Edition post bobby

I know ya'll thinking

Damn this lil' man so cocky

I'm just me though!

Thankful!

You ready?!
