Two up, for this great life, if it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, if it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes, l, l, l, l, l, l, l, l, yeah, now
keep it right
l, l, l, l, l, l, l, l, yeah,

I'm feeling good, rather I'm feeling great
The game got me feeling old but I don't feel the aches
I'm tryina eat, you tryina steal my plate
All the hate, throw it out the front door, Philp banks
I know I can, but you feel I can't
You think my hype is all gas but you fill my tank
How you fuel me with what you cruelty
And I'm a beast on the mic and that's the beauty
I'm illmatic Nas reasonable jay my adidas run, that's
reason reasonable to
Say
And this season, when I hit them with my ring
When your boy raises hell, everybody but I pray
Aye men, and women too,
We don't hang cause misery loves the miserable
But if your life's love is kicking like fight club
Let's have a great day and see what the night does

Two up, for this great life, if it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, yea it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes,
l, l, l, l, l, l, l, l, yeah, now keep em high
l, l, l, l, l, l, l, l, yeah,

I got my smarts on, I'm being genius
I laugh but I'm serious, I mean it
I'm married to my craft and I don't intend on cheating
Might be tardy to the party but I'm early for the meeting
The smell of money lingers, go and take a wiff
You gonna need some robitussin I'm a make you sick

The first track hit got one straight into the pros
Now it's first class trips I set later to the roads
I don't get it [?] just creating for the flows
Sittin on the globe, and I'm using it as my comode
I know, a load That's Gross I know, in the league of my
own
Ain't nobody close so, clap your hands
For el capitan, and somebody tell Spinking to play this
track again
And ain't no looking back unless I'm backing in
I'm a thank you in my speech when I win

Two up, for this great life, if it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes,
Two up, for this great life, yea it feels right
Go ahead put it up, everybody live it up
If tomorrow never comes,
I, I, I, I, I, I, I, I, yeah, now keep em high
I, I, I, I, I, I, I, I, yeah.
