You see the shoes right,

You know who it is,

I got my hoes wit me,  
I got my drummers druming,  
It's your boy Diggy go head and gimme sumthin  
See what the problem is im actually kinda dope,  
not like an average kid i bet thats wat you probly hope,  
they say im quote unquote, comin from the rich folks  
but thats my pops bread but i can spit tho

Because im young and articulate very different,  
Contest material, Even the old heads diggin it  
They can't distinguish it, crazy, the way I'm spitting it  
Age don't even begin in it, greatness is all I linger in  
The young prodigy bringing the habit and I don't need  
to be the badest for the status  
It's like My apparatus status style on radus it's free  
In case you stand us it's me the little man u see  
I'm growing up right in front of your eyes  
Yeah I'm what they been looking for it's no surprise

You see these shoes right, you like the way i walk, i got  
it cool right, i hear them people talk, And wat im sayin is  
wat you been hatin for, you kno who it is, what you been  
waitin for (x2)
