If you fall asleep down by the water baby iÂ'll carry you  
all the way home

x2

everybodies gotta love someone but i just wanna love  
you dear

everybodys gotta feel something i just wanna feel you  
my dear

i know its hard i know its harrrd i know its hard to be in  
this position

if they stop loving you i wont stop loving you

if they stop needing you iÂ'll still need you my dear

If you fall asleep down by the water baby iÂ'll carry you  
all the way home

x2

you gotta believe me you gotta believe me you gotta  
belive me when i say

the words forever

and whatever comes your way weÂ'll still me here  
together

i know its hard i know its hard but i understand you just  
take my hand

dear

If you fall asleep down by the water baby iÂ'll carry you  
all the way home

x2

oohh ohhh ohhh ( in tune of ^ ) x2
