Iâ€™ve got my eyes open wide to the ceiling  
Iâ€™m lying on my back in the centre of a room  
Iâ€™ve got a voice giving me a funny feeling  
Its telling me the worldâ€™s going to end real soon  
Iâ€™ve got to get a job otherwise Iâ€™m unappealing  
Do my little dance for the man and consume  
So i let my energy build for the healing  
So i can reign down with my super sonic boom  
Iâ€™m held down by a fog on my way to the top  
All clouded and the pressure wonâ€™t rise  
Iâ€™m on a mission to the sky with the stars in my eyes  
Yet the weather wonâ€™t compromise  
Like a ball on a chain that is strapped to my brain  
Iâ€™m a prisoner inside of my dreams  
So i will appreciate the future of a day  
Where the clouds open up and scream  
And i sing now

I aint gonna spend my time wandering why i never  
made  
it  
Iâ€™ve already made it  
I aint gonna spend my days thinking about why i never  
made it

Like the pages of a novel at the bottom of a shelf  
I grow stiff yet i keep my pride  
Like the one raindrop in the centre of a rose  
Iâ€™m in heaven with a world outside  
Like another metaphor to describe my vibe  
Iâ€™m just a vessel for my conscious needs  
So i will appreciate the future of a day  
Where the clouds open up and scream  
And i sing now

I aint gonna spend my timeâ€¦

Its times like this i need to lose my inhibitions  
Raise my fist and forget about decisions  
Help assist in the party that im giving  
Take on the vibe and soon you will be singing  
That its times like this ya need to lose your

inhibitions

Just raise your fist and forget about decisions

Iâ€™ll help assist in that party that weâ€™re giving

Take on the vibe and soon ya will be singing

I aint gonna spend my time wandering why, i never

made

it

Iâ€™ve already made it.
