Well I woke up this morning
I couldn't believe my eyes
I opened up a window in my mind
And I saw that the rain was gone
The rain is gone
Ye the rain is gone
I could see all the colours of the trees
They were smiling at me
Well a rainbow symbolised the sun had come
And that the rain,
Ye the rain is gone..

To many people out there
Have got the rain in their minds
And it's clogging up the sunshine
Yes indeed, with the warmth of the sunray
We could have a better place
For the children to play
Won't you see out there
Look out the window
It doesn't take a genius to realise
That when the rain is gone
There's a smile on your face..

I can see the sun
I can see the sun light

The rain is gone...
(Flower Fairy sings)
The sun has got his hat on hip hip hip hooray
The sun has got his hat on and his coming out to play
The sun has got his hat on hip hip hip hooray
The sun has got his hat on and his coming out to stay
