Hickory dickory dock  
The mouse ran up the clock  
The clock struck one  
The mouse ran down  
Hickory dickory dock

Well I know it's late and its probably fate  
That I can't get through to you  
But I needed to hear your voice in my ear  
To start my day a new  
But your phone was off and I missed your calls  
And now you're fast asleep  
So when you get up and you're ready to rock  
You can make my mobile beep

Make, make, make my mobile beep.

The look in your eyes of gold  
And the freshness inside of your soul  
Takes a hold of my glance you've got me in trance  
And you heat me up in the cold  
The soothing sound of your voice  
It speaks to my heart in rhyme  
You lift me out of before to now  
And you place me back in time

We are a wandering love  
From dusk till dawn  
We are a wandering love  
Like two kites in a storm  
We are a wandering love  
All day long  
We are a wandering love and we can't be torn

Make, make, make my mobile beep

Red and yellow and pink and green  
Orange and purple and blue  
I can see a rainbow  
See a rainbow too

Red and yellow and pink and green

Orange and purple and blue  
I can see a rainbow  
And that rainbow is you.
