I just wanna run, hide it away,
Run because they're chasing me down,
I just wanna run, throw it away,
Run before they're finding me out,
I just wanna run!

I just wanna run,
I'm out here all alone,
I try to call your house,
Can't reach you on the phone,
I'll gather up the nerve,
I'm packing up my bag,
It's more than you deserve,
Don't treat me like a drag,

I'm feelin' like I keep on talking,
I'm repeating,
Myself, my words, lost all meaning,
I keep talking,
I repeat myself.....

I just wanna run, hide it away,
Run because they're chasing me down,
I just wanna run, throw it away,
Run before they're finding me out,
I just wanna run (run, run, run)
I just wanna run (run, run, run)

Like a game of chess,
I predict your move,
I think I know you better,
Better than you do,

I'm sick of feeling cheap,
Cheated and abused,
Sick of losing sleep,
Thinking about you,

I'm feelin' like I keep on talking,
I'm repeating,
Myself, my words, lost all meaning,
I keep talking,

I repeat myself.....

I just wanna run, hide it away,
Run because they're chasing me down,
I just wanna run, throw it away,
Run before they're finding me out,
I just wanna run (run, run, run)
I just wanna run (run, run, run)
Throw it away!

I just wanna run, hide it away,
Run because they're chasing me down,
I just wanna run, throw it away,
Run before they're finding me out (out)

I just wanna run, hide it away,
Run because they're chasing me down,
I just wanna run, throw it away,
Run before they're finding me out,
I just wanna run,
I just wanna run,
I just wanna run!
