The concept of fashion is the one to blame
Painting a portrait of conviction less existence
Well it must be difficult
Being so gorgeous

Well it must be difficult
Claiming to be the kings and queens
But it's all
But it's all
But it's all
But it's all
For nothing

This shall pass
Megalomania
This shall pass
Megalomania

Congratulations
On mutilation
For a life
For a life
Life, Life, Life
Life, Life, Life
I'm going to hope for you
I'm going to pray for you
Amongst the reckless and the black
Salvation lies within
I'm going to hope for you
I'm going to pray for you
Amongst the reckless and the black
My time is yours my friend

We all find ourselves
So horribly weak
Here's an offering
Here's an offering
Offering
Offering
