Confidence blurred by arrogance,  
And the self worship continues,  
Who is an artist?  
You can't decide for yourself,  
Straight lines, I see straight lines,  
But they control sloppily, stupidly.  
Keep that golden, celebrity character to your own  
conscience  
Take a breath and rest your jaw,  
A Vertebrae with no spine.  
Our entertainment: A mockery  
With every laugh and every joke the actor's lungs  
become more dense with damnation.  
Don't mistake my intentions for superiority, let's make  
that clear.  
This isn't right and the worst part is were not  
pretending.  
Don't memorize these names  
Eternally.  
This world will run dry and well watch the clock,  
Well watch what we'll become.  
Don't memorize these names,  
Eternally.  
Take a breath and rest your jaw,
