What would it take,
for things to be quiet,
quiet like the snow?
I know, this isn't much,
but I know, I could,
I could be better.
I don't think i deserve it, selflessness.
find your way into my heart
all stars could be brighter,
all hearts could be warmer.
what would it take,
for things to be quiet,
quiet like the snow?
are we meant to be empty handed?
I know, I could,
I could be better.
I don't think i deserve it, selflessness.
find your way into my heart
all stars could be brighter,
all hearts could be warmer.
(what would it take?)
(what would it take?)
What would it take for things to be quiet?
