Standing at accuracy's demise
We have reached the new world wasteland
Population converted: one by one, thousands upon
thousands
Like scavengers on waste, like vultures on sick,
zombies outnumber the living
We are the outnumbered

Find your post, find your shelter in hopes of outliving
the undead
Build your walls, maintain protection with ambitions of
beating the odds

In a sea of stinking rot, in a place where living human
are no longer the hunter, all the money in the world
won't satisfy the enemy
Hunted
Standing at accuracy's demise we have reached the
new world wasteland
Mankind is the losing faction; retreat is eternally
hopeless

Find your post, find your shelter in hopes of outliving
the undead
Build your walls, maintain protection with ambitions of
beating the odds.
We are the outnumbered
