Uhh all the bad girls everywhere, yeah

I want ya'll to rock it

Get up on that floor, shake that ass

Show 'em how bad you are

Drop dead in my Gucci threads

Hair real wild with the brightest smile

I'm feeling hot, I'm ready to get loud

And in your mind I leave you with no doubt

That I'm a...

Bad girl, bad girl

You're such a little bad girl

C'mon uh-huh, yeah that's me

Bad girl, bad girl

You're such a little bad girl

C'mon bad, bad, bad, bad girl

But ain't no doubt on how I get down

You'll always know when I'm in your town

I jet set from east to west

And when I groove just give me my room

I'm a...

1 - Bad girl, bad girl

You're such a little bad girl

Uh-huh yeah that's me

Bad girl, bad girl

You're such a little bad girl

Uh-huh yeah that's me, bad, bad, bad, bad girl

[Queen Pen]

Mo' none of the hoes can stop our flow

We've been doing this since '84

Iron maiden, don't let the hype get it twisted

I'm bad to the bone, bitch check this

What you gettin' now, we've don' seen in triplets

Before record deals, we were still chicken

And we's the kind of chicks that they love to hate  
Playin' both sides of the game and still hold weight  
Bad girls take yours in your own state  
Bad girls break rules of taboo in the worst way  
But when its said and done, we still get the pay  
Without videos or a little bit of fame  
Bad girls never depend on the next nigga's change  
His dough is only here just to add to our cake  
Follow that rule and ya'll gon' to be okay  
We learned from the baddest  
Remember our names  
Uh, what's my motherfuckin' name

Repeat 1 until fade
