Yeah, uh uh
Yeah, uh uh
Don't look at me like that
I can't resist those eyes
Those shits are crazy, uh uh uh, damn

Something about the way you look
You're giving me the chills so bad
Oh baby I'm shook
I'm trying to compose myself cause baby I'm hooked
So fly, your pretty brown eyes

Break it down
It was a Sunday afternoon
When I laid eyes on you
Could it be true?
I knew I had to have you
I had to keep to myself
The feelings that I feel for you
Cause baby you know

As you're talking to me
It seems I could not look away
I told myself don't fight it, no
Your eyes told me to stay here baby

Something about the way you look
You're giving me the chills so bad
Oh baby I'm shook
I'm trying to compose myself cause baby I'm hooked
So fly, your pretty brown eyes

I never thought it could be true
Love at first sight you see
That's not like me, no
Your love is so different
It was your eyes baby
The way you looked at me
I had to talk to you, yeah yeah

As you're talking to me
It seems I could not look away

I told myself don't fight it, no
Your eyes told me to stay here baby

Something about the way you look
You're giving me the chills so bad
Oh baby I'm shook
I'm trying to compose myself cause baby I'm hooked
So fly, your pretty brown eyes
