It's been this way for me, oh so long
I know one day I will fall in love
I kept my heart locked forever and a day
I want someone to come steal it away, yeah

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day

When I find him
I'll be so happy
We'll have two kids, two dogs
A Mercedes
I will search for a whole lifetime
One day I'll find Mr. Right

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day

Hmm, oh, oh
Hmm, oh, oh
Oh, oh, oh
I want a love...

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day

I wanna love who, who will be there every night
One who will be there in the morning when I rise
Just like a fairy tale I hope and pray
And I really, truly hope that I will come to find
My prince one day
