It's been this way for me, oh so long
I know one day I will fall in love
I kept my heart locked forever and a day
I want someone come steal it away, yeah

I want lover who'll be there every night
Who will be there in the morning when I rise
Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
My prince one day

When I find him, I'll be so happy
We'll have two kids, two dogs, a Mercedes
I will search for a whole lifetime
One day I'll find Mr. Right

I want lover who'll be there every night
Who will be there in the morning when I rise
Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
(Really, really, really, truly)
My prince one day

I want lover who'll be there every night
Who will be there in the morning when I rise
Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
My prince one day

Oh, oh, oh, when I cry
I want lover who'll be there every night
Who will be there in the morning when I rise
(Each and every night)
Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
(Really, truly hope to find)
My prince one day

I want lover who'll be there every night
(My prince one day)
Who will be there in the morning when I rise
(My prince one day)

Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
My prince one day

I want lover who'll be there every night
Who will be there in the morning when I rise
Just like a fairy tale I hope and pray
That I really, truly hope that I will come to find
My prince one day
