It's 'bout to get hot up in here, yeah
Full force, TR
C'mon, c'mon, c'mon
Yeah, uh huh
Yo, ma, go

So you wanna know how it feels
Is it as good as it looks
What's the deal
You say you wanna feel the feva inside
Well I'mma give you what you want, it's the time
To feel the Feva

Boy, you givin' me
(Feva)
Your heat is all I feel
(Feva)
Baby, can't you see
(Feva)
There ain't no curing me
(Feva)

Make it hot
Make it hot
Make it hot
Don't stop

Make it hot
Make it hot
Make it hot

The fire in your eyes, it keeps me warm
Burning desire in my heart all night long
"Cause when you put your body next to mine
The flames begin to burn

Your heat is all I feel
