It's hard to say goodbye
Goodbye, goodbye, goodbye

I thought if I found some new friends
It would be enough to lose your love from my mind
It still hurts sometimes
But my heart's telling me that it's time for new strategy

'Cause when you left me
You took from me
You took all the love in my life
And it's hard to say goodbye

It's hard to say goodbye
Say goodbye, say goodbye
Say goodbye to you
Say goodbye, say goodbye
Goodbye

It's hard to say goodbye
Say goodbye, say goodbye
Say goodbye to you
Say goodbye, say goodbye
Goodbye

I cherished your love just like mama taught me to
She taught me to love you right
I made you my life
(You were my life)
I wanted to be your wife forever

Whatever it was that I did or didn't do
I really wish I knew
I wish I had a clue
'Cause I'm really missing you in my life

There used to be sunny days
You took all my love away
I can't get my mind off you
I don't know what to do
I don't know what to do but it's

It's hard to say goodbye
Say goodbye, say goodbye
Say goodbye to you
Say goodbye, say goodbye
Goodbye

It's hard to say goodbye
Say goodbye, say goodbye
Say goodbye to you
Say goodbye, say goodbye
Goodbye

Why did you say
Goodbye?
Why did you say
Goodbye?
