So she said she don't love you no more
And that's alright cause you could be my man
(Yes you can, yes you can, yes you can)
Hmm, yeah

So you feel like the sun don't shine no more
Well, it'll be alright cause you can be my man
(Yes you can, yes you can, yes you can)
Hmm, I said

You don't have to worry
I'm loving you
Oh, I'm loving
You don't have to worry
I'm loving you, oh

You see I don' been in those shoes before
And I let a good man walk out the door
And I
(Cried, cried)
Yes I did when he said
(Bye-bye)

I know it's hard, I feel your pain
But it's her loss, my gain
I swear I won't play those games
I said

You don't have to worry
I'm loving you
Yeah, I'm loving
You don't have to worry
I'm loving you
Oh, I'm loving

If you need a friend
You can just lean on me
Just call my name
And I'll come running

If you need a friend
You can just lean on me

Just call my name
And I'll come running

You don't have to worry
I'm loving you
Yeah, I'm loving you, oh
You don't have to worry, no
I'm loving you
Oh, I'm loving you, oh

You don't have to worry
I'm loving you
I'm loving you, I'm loving you
I'm loving, I'm loving

I'm loving, I'm loving
You don't have to worry
I'm loving you
She don't know, oh no

You don't have to worry
She don't understand
That I'm coming 'round
I'm loving you
Oh baby, oh

You don't have to worry
Don't worry, don't worry, no
I'm loving you
I said, I said, I said, I said it's
Here loss, my gain
You don't have to worry
I'm loving you
