"Lay With You"

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you
Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

You've got my mind going in circles
I don't know where to go from here
Imagine how sweet it could be
You and me, sharing love

So dim the lights and light the fire
And let's just be close together

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you
Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

Your mind, your body
You know I want it all, can I have it all?
'Cause you do things to me
That nobody else could and nobody else would

So dim the lights and light the fire
And let's just be close together

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you
Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

If I take the time
If I take the time
If I take the time

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you
Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

Wouldn't it be nice, wouldn't it be alright
If I take the time to lay with you

Wouldn't it be nice, wouldn't it be alright
