Featuring Teddy Riley

[TR]

Yo, yo

Somebody felt my ass

Yo, who felt my ass?

Alright

That's the way y'all wanna play

I got'cha

Yo Mo, uh huh, TR

Yo Mo, the verse, ah

[Monifah]

I feel you checkin' me

I'm all up in your steeze

My favorite jam is on

Don't make me wait too long

So what'cha gonna do

I'll back it up for you

If you can do me right

You can take me home tonight

This is just a taste

I'll give you on the dance floor

Let me feel you rock

Maybe you'll get some more

And to my surprise I feel your rise

Your score is high

Meet me at the bar

We're gonna handle ours, come on

1 - Rescue me

Take me out this club

I'll be your fantasy

Be my destiny

Take me home with you

Do all the things you do

We'll go on and on

'Till the break of dawn

You know I'm with my crew

But I'll go home with you

You see it's been so long  
I wanna see you take it off  
Listen close to me  
This how it's gonna be  
We're gonna dance some more  
Then we're sneakin' out the door

As we're dancin', see you sweatin'  
Damn, it turns me on  
Um, I can't wait 'till I'm comin out this thong  
When you take me home, don't waste no time  
Don't need no bed, don't need no lines  
Just make me moan  
Cause I gets my freak on and on

Repeat 1 (2x)

I'll meet you at your car  
I'll follow you home  
Rescue me (So we can bone)  
Fulfill my fantasy  
I'm in my navi your five hundred is fast  
(Take a drive in the five)  
Take me home, take me home

Once inside I'll be your ride, come on (Yeah)  
Can you handle it?  
Just for tonight, can't you see in my eyes  
It's on

Repeat 1 (2x)

Repeat 1 while:  
[TR] Break down  
[M] You ready to go?  
[TR] Uh huh  
[M] My truck's around the corner  
[TR] Let's go  
[M] Your spot?  
[TR] Uh huh  
[M] Or my spot  
[TR] Let's go to my spot  
[M] It doesn't matter  
[TR] Come on  
[M] I'll follow you  
[TR] Nah  
[M] Come on  
[TR] You get in my car  
[M] Dong dong  
[TR] Click

[TR] Uh uh  
[M] Yeah  
[TR] Uh uh  
[M] That's right

[TR]  
Yeah, lets take it fast  
Just put it in second gear  
Let's do something like this  
Come on  
You like that?  
You like that?  
Yeah  
Now what you want me to do?  
Tell me what you want me to do  
Let's take it to the next level  
In the car  
Let's do it  
You feel me? Uh  
Rescue me  
Yo Mo, break down
