Verse 1: God called Moses on the mountain top
And he placed the law in Moses heart
And then he stuck this commandment in
Moses mind
Then said Moses don't you leave my
children behind

(Chours) Well you better run , You better run, better run
Oh you better run to the city of Ninveha you better
run,run,run (repaeat 3times)

Verse 2: Well people believe and they think they
done right
You can pick up your bible and rean it
tonight
You can read in Genesis you will understand
That Methuselah, he was the oldest man
Well he lived nine hundred and sixty nine
And then died and gone to heaven in good
due time

(Chours)(repeat 3x)

Verse 3: Well Paul's command for the Pharisees
O well old Nicodemus, a ruler of the Jews
Ah he came to Jesus
he came by night
He said I want to be born into the heavenly
sight
Then came Christ spoke to Nicodemus as a friend
Said if you want to go to heaven you must
be born again
Oh well old Nicodemus didn't understand
How could a man be born when he was so old

(Chours)(repeat 3x)

Verse 4: God buried Moses in an unknown grave
I know Joshiah, Ah he taken his place
And the Joshiah was fighting the battle
He prayed unto the Lord to stop the sun
Then God stop the sun

And he won the war
And then Johiah was at the foot of the hill
He said I'll fight your battle if you just stand
still

(Chours)(repeat 3x)

Verse 5: Well beautiful sampson from his birth
He was the strongest man that ever lived on
earth
Ah one day Ah Sampson was walking along
Oh well sampson's strength was never
found out
But Delilah came and sat on his knee
Said ah please tell me where your strength
might be
He told her my strength lies in my hair
You jus shave a my head just as clean as
my hand
And my strength will become as a natural
man

(Chours)(repeat 3x)

Verse:6 Well Adam was the first man that ain't all
Oh well Adam was the first man that broke
the law
Adam was a member of the human race
He disobeyed God
And He rove hime from his place
You read on down to bout chapter nine
To where my Kng Jesus turned water to wine.

(Chours)(repeat 3x)until Fade
