[Chorus:]

You Said You Love Me
So Why Did You Leave Me Girl
I Gave My All To You
You Turned Your Back On Me
So Tell Me What It Do
Is We Through
[Repeat 2x]

So Baby Come And Tell Me What You Really Just Wanna
Do
How You Wanna Kick It Baby, Just Like Some Kung Fu
Havin Bad Days Cause You Mess With The Wrong
Dudes
I'm Tryna Tell You Boo That's Just Somethin You Don't
Do
Runnin Round Town Lookin For You A Get A Way
Open Up Your Eyes, I'm Right Up Here, Right Up In Your
Face
So Why You Wanna Leave Me Boo
Call Me When You Need Me to
Walkin Right Up Out The Door
That's What You Gone See Me Do
Baby Stop Playin These Games, I'm Down On My Hands
And On My Knees
So Baby Please, Don't Leave, Me, You All That I Need
And That I Want. I Bet I Don't Be The Same Person When
You Leave Me Alone
All Because You're Gone, Since You So Wrong, Just
Remember How Bad You Did A Nigga Wrong, So Wrong

[Repeat Chorus 2x]

Aye Baby Listen Up, Let Me Talk For Awhile
Stop Goin Crazy Like A Girl Gone Wild
We Got A Lot Of Problems, Yea We Needa Work It Out
Been At It For A While, Why Give Up Now
I Love You Girl, Love Your Style, Love Your Lips
I Know You Love The Way I Grip Your Hips When We
Kiss
But Shawty It's Begun, Come On Baby This Is It
You Say You Love Me, You Even Thought About Kids

Remember All The Good Times That We Had
And How Hard It Was Since You Lived In The Past
Promise To Each Other That We'd Always Make It Last
But You Made It Break Cause You Probably Slipped Or
Dropped The Glass
So Tell Me Why You Want Me To Stay
From The Look Of Things I Think You Just Want A Get
Away
So Imma Do You A Favor Cause Kali Supa Fly
I'll Let You Do Your Thing With Another Guy

[Repeat Chorus 2x]

Lil Momma Tell Me What It Do
Is It Still Gonna Be Me And You
Cause I Ain't Got Time To Try To Find Time
If We Through, If We Through
Now You Steady Lyin Up In My Face
Sayin That You Love, But Tell Me How
Girl Don't Cry, Cause You Wasn't Cryin When You Did
That Dirt So Don't Cry Now
I Wise Man Told Me, Never Leave The One That You
Love To Be With The One That You Like
Ol' Girl Should've Listened
You In That Possition
Tellin Me And Beggin Me You Wanna Do Rite
Break Up To Makeup
Forgive And Forget
But Now I Just Don't Feel The Same
Maybe When I'm Gone And You Spend Time Alone
You'll Feel My Pain (My Pain)

I Gave You Everthang
You Gave Me Nothin Babe
I Gave You Everythang, That You Asked And Even More
I Gave You Everythang
I Gave You More Then You Had
I Gave You Everythang But You Turned Your Back On
Me Like That
