I thought I'd find nothing left
then I saw it on the right
in the middle of the overgrown parking lot
I remember the days when it used to be a place
where the lovers and the freaks from the city go...
There it was growing strong from the pavement
five bright leaves
and a center like a galaxy
everywhere I go..
some now and a little for the road.

oi nanina

There it was growing strong from the pavement
five bright leaves
and a center like a galaxy
everywhere I go..
some now and a little for the road
everywhere I go..

some now and a little for the road.

oi nanina

I thought I'd find nothing left
then I saw it on the right
in the middle of the overgrown parking lot
I remember the days when it used to be a place
where the lovers and the freaks from the city go...
There it was growing strong from the pavement
five bright leaves
and a center like a galaxy
everywhere I go..
some now and a little for the road.
everywhere I go..
some now and a little for the road.

oh na na na na na na (repeat x3)
