(Verse 1)Que

You promised me that you would love,
You promised me that you would stay,
You promised me that you would Take my Heart,
And never give away.

You promised me that you would never cheat.
You promised me that you would never change.
You promised me You'll Never Leave,
Promises you never kept.

But every Promise that's been broken,
right before it could ever reach me,
You were never there to Give Me,
The lies you made me believe in.
But every Promise that's been broken,
right before it could ever reach me,
You never were there to Give me,
The lies you made me believe in.

(chorus)repeat 2X
These, are, Reasons why i Left
You never should've gave me Broken, Promises
Broken, Promises
Broken, Promises
Broken promises

(Verse 2) Dawn

You promised you'd see more of me
Open your eyes and see what we could be
I promise it was Just me.
A promise that you couldn't Keep.

You promised she was just a friend
A promise i Found in My Bed
A promise that Made me Weak
Promises You Never, Keep

But every promise that's been broken
right before it ever reaches me,

You never were there to Give me
The lies you made me Believe in.
But every Promise that's been broken.
Right before it could ever reach me
You never were there to give me
The lies you made me believe in.

Chorus (Repeat 2X)
These, are, reasons why i Left
You never should've gave me Broken, promises
Broken, promises
broken, promises,
broken, promises.

(Dawn)
How could ya do this to me
after I gave you all of me
(Look around, i see now, and you left me alone)

(Que)
After i Gave you my Heart
You were there from the start

We'll go our seperate ways, and i'll be OKAY.

And i'll be okay..

CHORUS (REPEAT 4X)
