Dawn Richard- If I Could

If I could
I would
Fly away
With you
If I could
I Would
Stop time
Just to be with you
but I cant because I belong to another man
And I wish I was with you but I'm still here
Maybe in another life, I could be yours
and you could be mine
Till then all I can do is dream (yeah)

CHORUS

If I could
share my love for you
If I Could
Cross the world for you
If I could
Give my all to you
If I Could
If I Could
From Paris to Venice
Champerty to Finland (I'll follow)
I'll follow you where you go (Wherever you wanna to go)
From Paris to Venice (If I'll follow)
Champerty to Finland
I'll follow you Wherever you go
If I could
If I could

If I could
I would
be your wife
Starting tonight
If I could

I would
Have each out I plead
But I can't because I belong to another man
And I wish I was with you but I'm still here
Maybe in another life, I could be yours
and you could be mine
Till then all I can do is dream yeah
ooooo-eh

CHORUS

If I could
share my love for you
If I Could
Cross the world for you
If I could
Give my all to you
If I Could
If I Could
From Paris to Venice
Champery to Finland (It don't matter)
I'll follow you wherever you go (I'll follow you wherever
you go)
From Paris to Venice
Champery to Finland
I'll follow you wherever you go (I'll follow you wherever
you go)

I can imagine your lips
I can feel your kiss
IIIIIIII -I wish
Things were different
I wish I can hold you
I wish I can hold you I got it (I wish Baaaaaby)
I wish I can hold you
I wish I can hold you I got it
I wish I can hold you
I wish I can hold you I got it
I wish I can hold you (I Wish, I wish)
I wish I can hold you I got it

CHORUS

If I could
share my love for you
If I Could (Don't you know baby)
Cross the world for you
If I could (I would cross the world)
Give my all to you
If I Could
If I Could (I would cross the world)

From Paris to Venice
Champerty to Finland (don't matter)
I'll follow you wherever you go (I'll follow)
From Paris to Venice (aaaahhh)
Champerty to Finland
I'll follow you wherever you go (aaaahhh)
If I could
If I could
From Paris to Venice
Champerty to Finland (I'll follow)
I'd follow you wherever you go (If I could)
From Paris to Venice
Champerty to Finland (If I could)
I'll follow you wherever you go
