Uh... No...
I lost all control
When you looked at me...
At me... Yea
I'm standing on a cliff baby...
Ready to fall
To fall
To fall

[Verse 1:]
It's lookin real high
Up here
So mortifying
But for you I will
I'm scared of heights
But, tonight I'm feeling real bold
I want to go
As high as I aint never been before
Only for you
I'll take a chance

[Pre-Chorus]
I'm standing on a edge
I'm breezin
Hangin by a thread
Believin every word you say
It's high up here
It's hard
But, imma take a chance an close my eyes
Don't you even ask why

[Chorus:]
I'm just gonna take a chance and fall, fall
For my jumper, jumper, jumper
For my jumper, jumper, jumper
Now my jumper, jumper, jumper
Now my jumper, jumper, jumper-r

[Verse 2:]
I'm bout to commit love suicide
And I aint even afraid to give you my life

See I'm gonna take a chance
With my heart in my hands
Step up to the cliff and jump for my man
Hopin you really know
I'm out my comfort zone
But, for you I won't question it
I'll just stand right on the cliff
For you baby
I'ma take a chance and fall

[Pre-Chorus]

I'm standing on a edge
I'm breezin
Hangin by a thread
Believin every word you say
It's high up here
It's hard
But, imma take a chance an close my eyes
Don't you even ask why

[Chorus:]

I'm just gonna take a chance and fall, fall
For my jumper, jumper, jumper
For my jumper, jumper, jumper
Now my jumper, jumper, jumper
Now my jumper, jumper, jumper-r

Ooooo, Yea
Ooooo, Yea

Now, My jumper

[Pre-Chorus]

I'm standing on a edge
I'm breezin
Hangin by a thread
Believin every word you say
It's high up here
It's hard
But, imma take a chance an close my eyes
Don't you even ask why

[Chorus:]

I'm just gonna take a chance and fall, fall
For my jumper, jumper, jumper
For my jumper, jumper, jumper
Now my jumper, jumper, jumper
Now my jumper, jumper, jumper-r
Now my jumper, jumper, jumper
Now my jumper, jumper, jumper
Now my jumper, jumper, jumper

Now my jumper, jumper, jumper-r

[Outro]

I aint never been this high before

But I don't care

For you... I'll close my eyes and jump
