Oooo aww ooh aww ooh ooh
The road seems to long but we took the journey
anywaymoving to fast but we didn't wanna hit the break
were moving moving on(were moving on a train) a train
going going miles away
From home to home sayin bye to yesterday
Were running running from the pain hoping we don't
go insane
(I heard the)I heard the crash I saw the fire I held my
chest it was a mess
We tried to pervent are hearts were to deep in it (we
had)
We had a train wreck(woah)we had a train wreck
We couldn't prevent it (we couldn't it prevent it)we
couldn't prevent it we couldn't prevent it yea yea yea

[Verse:]
So love was long gone but we still tried to make a way
And in the wrong direction but going hard any way
We should've stop at the next stop
Before we had a head on collision
(but were moving)were moving moving(no aww) on a
train going going miles away
From home to home saying bye to yesterday
Were running running (running)from the pain
Hoping we don't go insane(go insane)
(I heard the)I heard the crash I saw the fire I held my
chest It was a mess
We tried to prevent it are hearts were to deep in it(deep
in it)
