Snow is coming down
while misanthropy reigns our lives...
Cold is freezing our souls
no one shall survive
Dark woods are burning of hate
The virgins we rape, it is their fate...

Soon the time is ready
for the final battle
When dragons fly again,
and witches burn the inquisitors
Soon the time has come
when elder spirits walk the earth

THIS IS THE TIME DIABOLICAL HORDES STORM THE
SHELTER OF GOD!

Satan, our master, lead us to victory
against their powerless force
Christians, your time has come,
your god is dead, a helpless source.
Soon the time is ready
when Lilith lives again.
All light will be faded,
and darkness surrounds men.

Let true gods now reign this world
as wolves gather in the mighty wood.
In dark dungeons,
the virgins of christ.
We drink their blood,
and feed our lives.

Soon the time is ready
for the final battle.
When darkness lives again,
and beautiful virgins are sacrificed.
Soon this time has come,
and black ravens circle above...

THIS IS THE TIME DIABOLICAL HORDES STORM THE
SHELTER OF GOD!
