Can I take you home, little girl
Can I walk you slowly
Baby, when the dancing is through
Can I take you home

Please, let me hold your hand, little girl
Cos I feel so lonely
Can I take you home, little girl
Can I take you home

Couldn't take my eyes off you all night
When you dance you really do it right
Now I can't believe it
I can't believe you're dancing close to me
Oh, I'm kinda shy, you see

Can I take you home, little girl
Can I walk you slowly
Baby, when the dancing is through
Can I take you home

Please, let me hold your hand, little girl
Cos I feel so lonely
Can I take you home, little girl
Can I take you home

Honey, say this dream will never end
Say you won't be leaving with your friends
And when tonight is over
I'd like to spend tomorrow making plans
My fate is in your hands

Can I take you home, little girl
Can I walk you slowly
Baby, when the dancing is through
Can I take you home

Oh, let me hold your hand, little girl
Cos I feel so lonely
Can I take you home, little girl
Can I take you home

Can I take you home, little girl
Can I walk you slowly
Baby, when the dancing is through
Can I take you home

Yeah, let me hold your hand, little girl
Cos I feel so lonely
Can I take you home, little girl
Can I take you home
