Cupid, draw back your bow  
And let your arrow go  
Straight to my lover's heart for me  
Nobody but me

Cupid, please hear my cry  
And let your arrow fly  
Straight to my lover's heart for me

Now I don't mean to bother you, but I'm in distress  
There's danger of me losing all of my happiness  
For I love a girl who doesn't know I exist  
And this you can fix

So Cupid, draw back your bow  
And let your arrow go  
Straight to my lover's heart for me

Now Cupid, if your arrow makes her love strong for me  
I promise I will love her until eternity  
I know between the two of us her heart we can steal  
Help me if you will

So Cupid, draw back your bow  
And let your arrow go  
Straight to my lover's heart for me  
Don't you hear me calling  
My tears keep falling  
Got to have your love now

Cupid, Cupid

Look, I've loved you for a long time  
Now it's time to make you mine, baby  
I've loved you for a long time  
Now it's time to make you mine, baby

I look at you, you turn away  
I say to you, please look my way  
But you say to me, leave me alone  
Then I say I can't live without you

Iâve loved you for a long time  
Now itâs time to make you mine, baby  
Iâve loved you for a long time  
Now itâs time to make you mine, baby

Girl, didnât you know that my love for you  
And it hurt me so bad, Iâm telling you  
Come on, look at me once  
Canât you see I canât live without you

Iâve loved you for a long time  
Now itâs time to make you my baby, make you my  
baby

Cupid, draw back your bow  
And let your arrow go  
Straight to my loverâs heart for me  
Hear me calling  
Feel the love, itâs getting strong, girl
